# 1. Normal Week

- \* In students dashboard its counter is named as “Total Weeks”
- \* It shows how many weeks student has to give all the tests
- \* This is set by MKCL

# ... 1. Normal Week

## \* Rules in Normal weeks:

1. Student can give 1 Chapter wise Test per subject per week
2. Student can give 1 Combo Test per subject per week
3. Student can give one Re-attempt of every test
4. Student can give any number of “Re-attempt” tests per week

## 2. Special Week

- \* 10 Special weeks would be available
- \* Student can make any week a special week by simply giving more than 1 chapter wise test of any subject
- \* If student gives more than one fresh chapter wise test, then that week will be converted to special week

## ... 2. Special Week

- \* Whenever student will select more than one Fresh Chapter wise test to give in a week then such message will appear

**Are you sure you want to continue as a Special Week?**

You have already attempted **1 test(s)** of selected subject in this week.

You are allowed to give **1 test(s)** per subject per week. If you give more than **1 test (s)** upto a maximum of **3 test(s)** per subject in any week, it will be your Special Week.

Are you sure you want to continue as a Special Week?

## ... 2. Special Week

- \* Once student decides to make a particular week as special week then student can;
  1. Give 3 Fresh Chapter wise tests per subject per week
  2. Give 1 Combo Test per subject per week
  3. Can give any number of “Re-attempt” tests

# Comparison

Point of difference	Normal Week	Special Week
Chapter wise Tests	1	3
Combo Tests	1	1
Re Attempt Tests	No Limit	No Limit

# About Tests

\* There are 3 types of tests available for students

1. Chapter wise tests
2. Combo tests
3. Reattempt test
4. Full Portion tests

# 1. Chapter wise tests

- \* There will be a test on all the chapters of PCMB there in the syllabus
- \* In normal week only 1 chapter wise test per subject can be given
- \* In special week 3 chapter wise tests per subject can be given

## 2. Combo test

- \* Automatically gets generated
- \* It will have portion of all the tests given by student in previous weeks for that subject
- \* Example: If Student has given Test A of Physics in first week then gives Test B of Physics in second week, then combo test of “A+B” will get generated in third week

# 3. Re-attempt

- \* Student can re attempt all the tests he/she gives
- \* They can give these re attempts anytime they want
- \* Only one re attempt is allowed

## 4. Full Portion tests

- \* From November, Full portion tests will be made available in student's log in
- \* 28 such tests will be made available
- \* Portion will comprise of both 11<sup>th</sup> and 12<sup>th</sup> standard syllabus i.e. JEE Main syllabus
